Dear Sir,

PROPOSED TRAFFIC AND URBAN TRANSPORT MASTERPLAN FOR KOTA KINABALU CENTRAL BUSINESS DISTRICT (KKCBD)

OWNER : DEWAN BANDARAYA KOTA KINABALU (DBKK) AND
JABATAN KERJA RAYA SABAH (JKR SABAH)
DEVELOPER : DBKK HOLDINGS SDN BHD AS THE PROJECT
MANAGEMENT CONSULTANT (PMC)
DRAWING NO. : PJP/P164/SCM7/TSP/1C AND
PJP/P164/A,B,C,D1,D,E,F&G/TSP/1C
SERIAL NO. : TSP.04/04.2015/JPT: 1200-5/21

Your submission vide ref. PJP/P164/Cor/15 dated 24 August 2015 pertaining to the above mentioned subject refers.

2. Please be informed that the Traffic and Urban Transport Masterplan for KKCBD is approved subject to the following conditions :-

- 2.1 These plans are conceptual schemes for the intended purpose of traffic, urban transport and environmental improvements within the limit of Central Business District as define on the above plan. subject to engineering detail to be submitted for checking and approval prior to commencing any physical works on site.
- 2.2 Implementation of the works as shown on the Masterplan must conform to the Sabah State Cabinet's decision in their meeting held on the 15th October 2014 where option 1 was agreed i.e DBKK Holdings Sdn Bhd to act as the Project Management Consultant (PMC) to coordinate and implement the Masterplan with the participation from all the selected qualified developers currently undertake or planned development within the Central Business District of Kota Kinabalu. In general the implementation of the works shall be funded through facilitation fund application from UKAS of Prime Minister Department and depend on success basis of the application. You are also reminded as the lead consultant appointed by DBKK Holdings Sdn Bhd, you has the professional responsibility to ensure good standard of design and quality work-done to the acceptance of the City Hall and JKR Sabah as owner of the public space and roads within the purview of the Masterplan.

Certified To ISO 9001 : 2008
Cert. No. : MY-AR-4890

- 2.3 Consent or wayleave approval must be obtained from the relevant authority and / or the owner of the roads, public and private area for site possession before physical works may be allowed to commence on the area affected.
 - 2.4 Traffic diversion plan or Traffic management plan to be submitted for the approval of the Kota Kinabalu City Hall and JKR Sabah before works are allowed to commence on any part of the Masterplan and if required by the City hall, you are required to revise your plan to ensure minimum interruption and obstruction to traffic flow and parking at all time.
 - 2.5 A comprehensive study with detailed traffic analysis should be submitted for approval with the detail of the improvement works shown on the TSP to be reflected on the C&S drawings to be submitted by the engineer.
 - 2.6 All submissions should be in accordance with JKR Manual on Traffic Control Devices, Road Marking and Delineation.
 - 2.7 The PMC is to submit relevant C&S details for the improvement works including the bus stop, walkway, pedestrian crossing facility, road furniture , cycle way and public transport lane and etc. As soon as the Engineering Plans relating to the access road connecting into or within DBKK or JKR is approved, the PMC must submit wayleave application to the relevant office for approval prior to commencing work on site.
 - 2.8 The PMC is responsible to liaise with the relevant utilities agencies for the relocation of any services found on the road reserved.
 - 2.9 This approval is valid for two (2) years and subject to be reviewed after that time frame.
3. Enclosed herewith please find a copy of the duly endorsed documents for your retention and necessary action.

Thank you

Yours faithfully,

(DATUK ABIDIN MADINGKIR)
